

1. Click **Business Profile** from the menu:

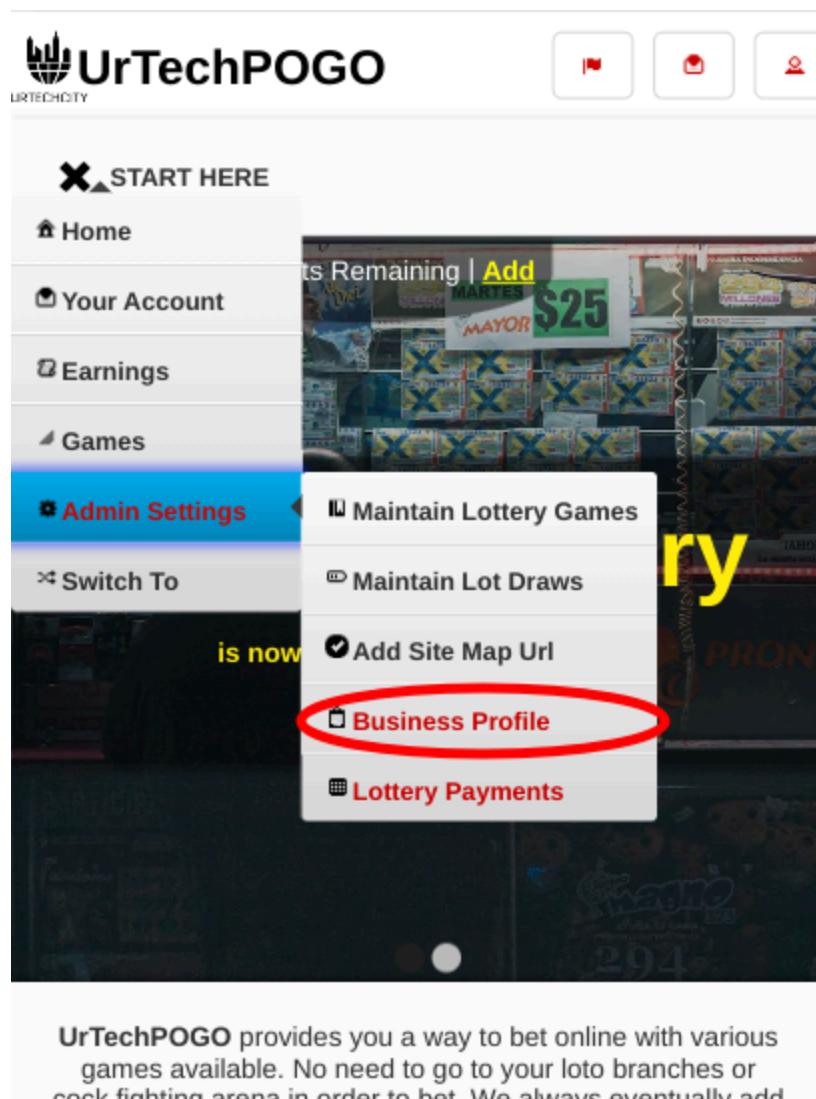

a. Desktop

The screenshot displays the UrTechPOGO desktop interface. At the top left is the UrTechPOGO logo. To the right are buttons for Language, Messages, Log-Out, and Update Profile. A dropdown menu is open, listing various options. The 'Business Profile' option is highlighted with a red circle. Below the menu is a banner for 'Online Cock Fighting' with a background image of a cockfight. At the bottom, there is a paragraph of text describing the platform's online betting capabilities.

UrTechPOGO provides you a way to bet online with various games available. No need to go to your loto branches or cock fighting arena in order to bet. We always eventually add more games from time to time that you can check out. Even if you are at work, or somewhere that you can't go to your betting place, this product helps you do it remotely. This makes all betting places accessible online.
