

1. Click **Business Profile** from the menu:

a. Desktop

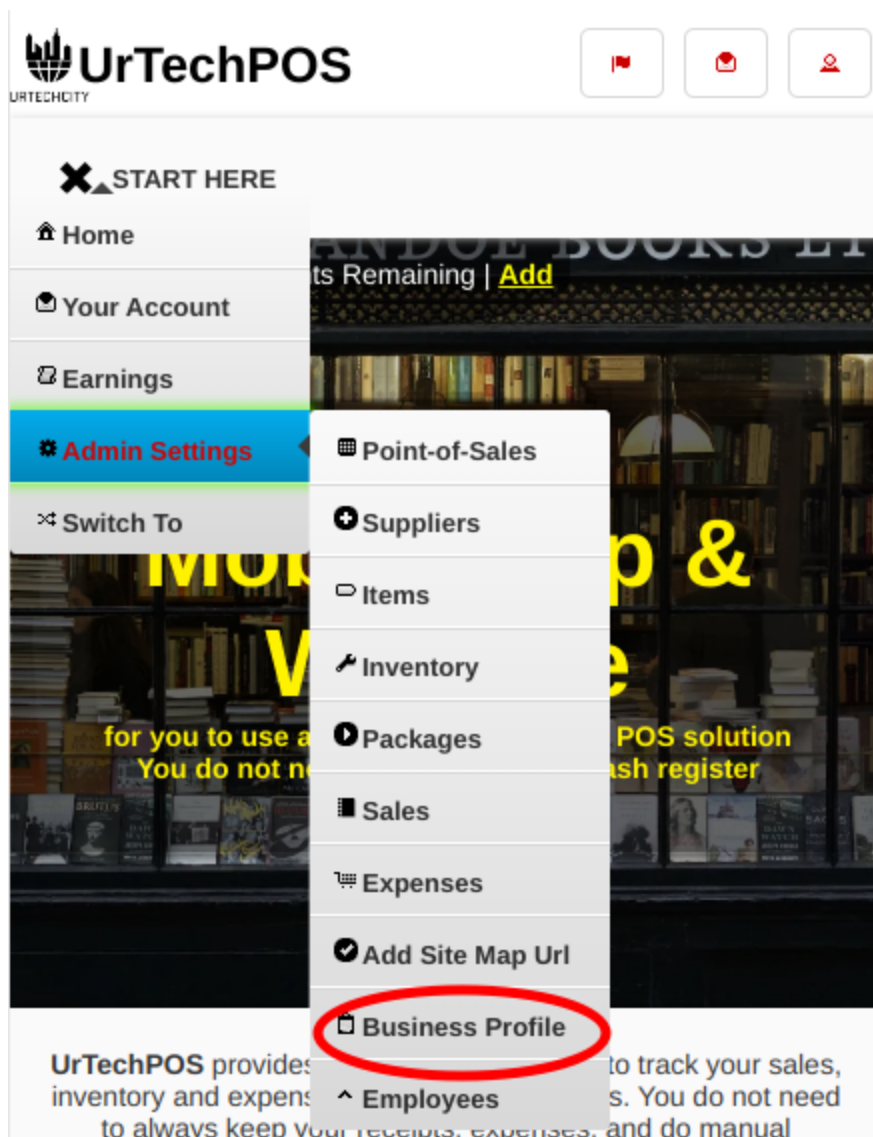

The screenshot shows the UrTechPOS desktop interface. At the top left is the UrTechPOS logo. To the right are buttons for Language, Messages, Log-Out, and Update Profile. A main menu is open, listing various options. The 'Business Profile' option is circled in red. The background shows a dashboard with charts and a promotional banner for individuals.

UrTechPOS provides you an affordable way to track your sales, inventory and expenses with receipts, and do manual calculations. This gives you reports and better viewing of your sales. We give you one month trial period to see if this really helps you on your business. After the trial period, you pay a very minimal monthly bill while using this POS.

do not need to always keep your receipts, net income, which is your true earnings. We
