

1. Go to the UrTechPOS website:

a. Desktop

The screenshot displays the UrTechPOS website interface on a desktop. At the top left, the logo 'UrTechPOS' is visible. To the right, there are buttons for 'Log-Out', 'Messages', and 'Update Profile'. Below the logo, a navigation menu is shown with the following items: HOME, YOUR ACCOUNT, Switch to, Point-of-Sales, Inventory, Expenses, Items, Packages, Sales, Suppliers, Business Profile, Employees, Payments, Recommend Us, Maintain Payments, and Add Site Map Url. The 'Suppliers' item is highlighted in blue, and 'UrTechPOS' is circled in red. The background image shows a woman working at a coffee counter with a menu board in the background.

UrTechPOS is a small Point of Sales product that is designed for small and medium size business establishments that consists of product selling. It also has an added feature of monitoring your POS transactions, sales & inventory report, and your net income. It makes sure the numbers of the inventory and sales are always tallied so that auditing is more secure and accurate.

a. Mobile Devices

The screenshot displays the UrTechPOS website interface. At the top left is the UrTechPOS logo, and to its right are two icons: a mail icon and a home icon. Below the logo is a navigation bar with 'YOUR ACCOUNT' on the left and 'SWITCH TO' on the right. A dropdown menu is open under 'SWITCH TO', listing several options: 'Main Site', 'Job Portal', 'Group Tracker', 'UPublishMe', 'DeepBreatheBP', 'Mike's World', 'Mike's Virtual Clubs', and 'UrTechPOS'. The 'UrTechPOS' option is circled in red. The background of the page features a banner with the text 'Welcome UrTech Your small & medium solution' and an image of a person at a coffee counter. Below the banner are five grey dots, and at the bottom is a dark grey box with white text describing the product.

UrTechPOS is a small Point of Sales product that is designed for small and medium size business establishments that consists of product selling. It also has an added feature of monitoring your POS transactions, sales & inventory report, and your net income. It makes sure the numbers of the inventory and sales are always tallied so that auditing is more secure and accurate.

2. Click **Promos** from the menu:
